Terms & Conditions

Minimum purchase is one lineal meter off the roll.

Grass can be cut at increments of 50cm only. For example, If you require 3.75 lineal meters you will need to order 4 lineal meters.

One single cut from the roll is included in the price per lineal meter. All additional cuts will incur a fee of \$20.00 per cut.

All artificial grass orders must be paid in full before any cuts will be made.

Often, we cannot cut grass on the spot, due to operational demands. We recommend you place your order in advance to avoid waiting times and having to return later for collection.
